NEW SCHOOL TEAM APP & TWITTER ACCOUNT

Dear QHEPS Parents and Carers,

Quakers Hill East is proud to introduce a new school Team App! Information about how to download the new, free app can be found on the reverse side of this note. We encourage all families to download this app to stay up to date and current with news and events about our school. Don't have a SMART phone? No worries! You can go to the following web address to access the same information: <https://quakershilleastps.teamapp.com/>

The new app will be able to:

- Send 'just in time' alerts to keep you up to date with last minute changes;
- Link directly to our school website;
- Link to our new school Twitter account (no Twitter account needed to view);
- Provide information to contact the school;
- Link to the student portal;
- Provide links to online notes;
- Provide a platform to submit online absentee notes;
- Provide links to our fortnightly school newsletters;
- Link directly to our school calendar of events;
- Link to our school electronic Parent Information Booklet;
- Establish a simple, easy to use interface;
- Add additional features as required.

Please note that the primary communication platform for our school will continue to be the school website and many of the app features will redirect you back to the website for the most up to date information.

Please also note that the former App for our school will be decommissioned over Term 3 and no new content will be uploaded via this platform. It will eventually be deleted. All new alerts will come via the new Quakers Hill East Public School Team App. So please spread the word!

We have also established our very own **QHEPS Twitter account (@quakerseast)**. This account will be used to celebrate the successes of our school and is a one way communication out to the community that you can opt in to follow or just check at your convenience. We look forward to sharing our learning journey with you all via this exciting platform. Not on Twitter! No worries! Visit the following web address: <https://twitter.com/QuakersEast>

If you have any feedback regarding our new school Team App or Twitter account, please email the school on quakershie-p.school@det.nsw.edu.au and attention your email to Mr Fisk.

We look forward to sharing more information with you via these new communication platforms and celebrating the successes of our school.

Sincerely,

Scott Fisk
Deputy Principal
